HOSPITAL PRE-AUTHORISATION

All hospital stays including emergencies must be authorised to ensure that your hospital stay is covered. It is best to do this at least two days before you go to hospital. Your in-hospital benefits will depend on the plan you're on. These are subject to Scheme Rules and available benefits. If you do not get pre-authorisation, you will be liable for the full hospital account.

WHAT OTHER TREATMENTS OR PROCEDURES REQUIRE PRE-AUTHORISATION?

You will also need pre-authorisation for the following:

- Renal clinic admissions for dialysis
- Procedures in the doctor's rooms instead of hospitalisation
- Physical rehabilitation care in rehabilitation facilities
- Drug and alcohol rehabilitation in specific facilities
- Hospice admissions
- Oxygen therapy at home
- All specialised radiology (such as MRIs and CT scans)

Once your procedure has been authorised, you will receive a letter confirming pre-authorisation by email or post. This letter contains important information about your hospital stay. Please make sure that you read and understand the contents of the letter, as it explains how your procedure will be covered. If you are unsure of anything, please discuss the letter with your doctor.

Emergencies must be pre-authorized within 48 hours of admission to hospital or on the first working day after a weekend or public holiday. No account will be paid unless pre-authorization is obtained.

PRE-AUTHORISATION REQUESTS MAY BE DECLINED IF:
